Tell Papa that I have just finished writing an address of about 800 words or 5 pages. It is one that I would have to speak next year from the stand in the chapel.

I have your powder stand that you ask me to make for you, but I will not have time to make Mrs Gardner's cup she asked me to make but I might get her one from Prof.

I was going to write, Luedie a short letter and ask her if she would be over to commence ^{me}ment on the 18th. But if you will ask her for me it will save me the trouble. I don't suppose it is any use to ask you to come but wish you would any way. Write soon etc.

How is Luedie now days?

Your Son, Henry.

Mrs. Warren Davis,

Dear Mother

I wrote you a letter on May, 27-94 and told you that Mr. King told me that I ought to have had \$6⁰⁰ in deposit for next months board last May, 20. But if you have already sent it I suppose it will be all right but you have not told me nothing of it, and have not written me a letter since I was at home last.

Our flag pole, that I told you about in my letter last has been finished and the flag 20 ft. x 36 ft. was hoisted for the first time to day. The canon was fired three times while it was being raised.
